

About PYSA

Perrysburg Youth Soccer Association (PYSA) is a non-profit organization affiliated with the National Soccer Association for Youth (SAY). PYSA is family-oriented and, while we focus on providing a fun soccer experience, many PYSA players do go on to participate in travel soccer and at the high school level.

RELEASE OF LIABILITY FOR PERSONAL INJURY AND PROPERTY DAMAGE

Our child desires to participate in the activities of the Perrysburg Youth Soccer Association, both as a spectator and active participant. We understand that it will be necessary to travel for soccer games and practices; that volunteer coaches teach the skills and rules of soccer; and that the sponsors provide the playing field and possibly other equipment for the players. Therefore, in consideration of any transportation to and from practice and game, with or without charge for transportation, the provision of field and equipment; and the participation in activities of the PYSA; we hereby assume all risk of injury to _____ (name of player) and we hereby release discharge and/or other-wise indemnify the USYS, PYSA, their affiliated organizations and sponsors, their employees and associated personnel, its players, drivers of car pools, coaches, aides and owners of fields and facilities utilized for the programs, against any claim and liability for any injury or damage of any kind sustained by such child or by us directly or indirectly in connection with or arising from activities of PYSA, its members, sponsors, drivers of car pools, coaches or otherwise. We acknowledge it is the responsibility of the parent(s) to provide medical supervision if needed for practices and games. We have read this agreement and discussed it with our child. PYSA plays a six week season and does not endorse post season play. I understand that soccer is potentially a dangerous sport and contains certain inherent risks, whereas participants may receive injuries by falling or colliding with other players, the ball, goal equipment, fencing, bleachers or other objects.
